

# The top of the Wrynose Pass from the West

Directions to the top of Wrynose Pass (NY277027)

\*From Ravenglass

Head out of Ravenglass to the A595. Turn left towards Whitehaven. Follow the road for about 3 miles and then take the right turn towards Santon Bridge. At the end of the road turn right and follow through Eskdale Green. After going through Eskdale Green and past the Outward Bound Centre, you go down a hill with a pub at the bottom. Go left here towards Boot and Hardknott pass. Continue along this road which takes you, eventually, up and over Hardknott pass and then up Wrynose pass. These are very steep and windy (protocol is to stop for people who are driving up) and can be quite good fun to drive, but they can take time to get over, especially for those not used to driving on the fells! Just after you have gone over the top of Wrynose pass you will see parking areas to the left and the Three Shires Stone - a 5ft obelisk of stone with the 3 counties engraved on it - set just off the road.

\*Once you're there...

Park at the side of the road at the top. Your instructor will meet you by the stone.
